# A Better Place to do Business

Superbly located in the beautiful Cheshire town of Frodsham, with close proximity to the North-West's Motorway network, Frodsham Business Centre is ideally placed for your business.

Within easy reach of Warrington, Runcorn and Chester, the site has great bus and rail links and is close to the larger conurbations and international airports of Liverpool (20 miles) and Manchester (25 miles).

Suitable for extremely diverse range of business uses, the Centre has offices and workshops offering your business the flexibility, value and security it needs to flourish.

Offices are fitted to a high standard and vary in size from 200 sq ft to suites of 3,000 sq ft. flexibility is the key!

Workshop units are easily accessible and well constructed and finished to optimise the working environment.

The site is extremely secure, being perimeter fenced with security alarm and CCTV monitoring in operation. On-site car parking is available.

Space is available on License or Lease, rates are very competitive for businesses from owner managed to PLC. Current tenants are from a very wide range of disciplines. In summary, Frodsham Business Centre has it all - the Location, services, value and flexibility to fulfil your business needs.
